IHM Pusa won the HVS FLAGSHIP award at the recently concluded HVS ANAROCK HOPE 2023. 'Flagship' or the Future Leaders Annual Group Submission Hospitality Industry Project is a programme designed by HVS, a consulting firm specialising in hospitality, where students from a select group of hospitality schools from across the world are invited to present their vision on a trending industry topic. In 2023, it was 'Foresight Challenge: The journey of an upscale hotel guest in 2033'. Again, IHM students won two global positions at the Marriott International APEC—College Virtual Career Fair, organised by Marriott International.

Among noteworthy activities and events at IHM Pusa in the past one year were the publication of the cookbook *Culinary Heritage of the Himalayas*, a workshop on Korean cuisine and the Millet Culinary Festival for IIMR (Indian Institute of Millet Research) at New Delhi's Dilli Haat. The institute also installed state-of-the-art equipment in several kitchens on campus to make them ergonomically viable, besides high-tech machinery in various departments.

In the coming academic session, IHM Pusa will sign an MoU with Maharishi Dayanand University in Rohtak for a five-day course on the 'Great Indian Cuisine', which will include both theoretical and practical components. Bon appetit it is then. ■
