Emerging from the shadows of Covid-19 pandemic, Shaheed Sukhdev College of Business Studies (SSCBS), New Delhi, has hit the ground running. In the 2022-23 academic year, it successfully rolled out four-year undergraduate courses with multiple entry and exit points, in line with the National Education Policy 2020. Meanwhile, its students have been winning accolades at both global and national fora—global winners at the Better Working World Data Challenge 2022 (EY & Microsoft), ranked third at the Harvard Global Case Competition 2023 and the Indonesia Investment Banking Competition 2022, besides national winners at the Flagship Case Competition 2022 (IIMA) to list a few.

Established in 1987 as a constituent college of the University of Delhi to serve as a pioneer in undergraduate management education, the SSCBS has come a long way. Today, it boasts of a modern campus equipped with state-of-the-art infrastructure and facilities, well-equipped classrooms, computer labs, library, auditorium, sports facilities and even an inhouse incubation centre and a dedicated placement cell.

Known for its three-year full-time undergraduate programmes such as the Bachelor of Management Studies, Bachelor of Business Studies (Financial Investment Analysis) and B.Sc. (Hons) Computer Science, the college also offers a host of value-added courses on data analytics, digital marketing, financial modelling and algo trading.
