STUDENTSPEAK

"The atmosphere at SSCBS constantly pushes students to unlock their true potential and provides a host of opportunities for limitless growth"

SIDDHARTH GARG

BBA (FIA), 3rd year

TAKING THE LEAD

- **Completely implemented the National Education Policy 2020 from 2022-23, introducing four-year undergraduate courses with multiple entry and exit points**
- **Is offering generic electives, skill enhancement courses and value-added courses in new fields, such as entrepreneurship, programming languages and yoga**
- **The college supports impactful societal initiatives. Under Project Pravaah, a low-cost air purifier and innovative ways to utilise farm stubble are being developed**

ling, and algo trading. Additionally, sessions by corporate trainers and interactions with industry leaders provide students with valuable insights and foster skill development.

"The combination of relevant courses, industry collaborations, skill development initiatives, and international exposure," says Verma, "enables students to acquire the necessary competencies and stay ahead in their chosen fields." ■
