### ALUMNISPEAK

**"The BArch programme offered academic credit grouped in various subject areas, including design and graphic communication. Along with academic credit and hands-on learning, it prepared me to pursue my interests in sustainability, energy and environment and simulation-based design"**

**SHREYANSH CHANDRA**
*HOK Design, Toronto*
*BArch, Batch of 2005*

and the focus on sustainable design exemplifies the department's commitment to the country's future. The department has shown that it occupies a pivotal position in architectural research, education and innovation in the country, striving as it does to create professionals who will shape an inclusive and sustainable agenda for the future."

The department of architecture and planning has a strong research focus with interdisciplinary outlooks on vari-
