digital transformation across other branches of the university, including administration.

But challenges remain. Unlike private universities, public institutions such as NLSIU cannot rely on fees to fund revenue and capital growth, he points out. "We need to find a model of resource-raising which relies on other stakeholders stepping up to fund the university," he says. "So, the resource challenge remains, but it has not held us back." The more sophisticated challenge, he says, is that of student culture. "The NLSIU has traditionally benefitted from that. We have a very good and active student culture. As the university grows, we have to preserve and improve that." Krishnaswamy believes NLSIU's enhanced scale and research focus will enable it to knock on the doors of global rankings in a few years. ■
