

ADDING VIBRANCY TO INDUSTRIAL SECTOR

Telangana, renowned as an industrial powerhouse in India, has witnessed remarkable growth and development in its industrial sector since its formation in 2014. Under the visionary leadership of Chief Minister K. Chandrashekar Rao, the state has implemented a range of progressive schemes and initiatives to attract investments, promote entrepreneurship, and create a favorable business climate.

In keeping with this spirit, the Government of Telangana has framed the New Industrial Policy 2015 for "Research to Innovation, Innovation to Industry, Industry to Prosperity". It is themed around "In Telangana – Innovate, incubate, Incorporate". The policy has provided a business regulatory environment where doing business has become as easy as "shaking hands".

The Industrial Policy Framework has a mandate of "minimum inspection and maximum facilitation" for the concerned departments. It emphasizes on effective industrial clearance mechanism which functions at three levels – mega projects, large industries and SMEs. The Government has earmarked 10% of water from all existing and new irrigation sources for exclusive industrial use. The government has enacted the TS-iPASS Act for providing all approvals to entrepreneurs at a single point within set time limits based on a self-certification furnished by the entrepreneurs. It has been hailed as the best practice under EODB by the Government of India.

The functioning has been quite remarkable-23,065 units with proposed investment of Rs.2,64,956 crore and proposed employment of 17.77 Lakh have obtained approvals; a total of 18,587 units with an investment of Rs.1,54,690 crore and providing employment to 9,13,386 persons have commenced operations. Incentives to the tune of Rs. 3654.57 crore were sanctioned to 25,068 proposals under Telangana State Industrial Development and Entrepreneur Advancement (T-IDEA).

Under T-PRIDE (Telangana State Program for Rapid Incubation of Dalit Entrepreneurs), incentives worth Rs. 1381.8 crore were sanctioned to 28,184 units promoted by SC entrepreneurs; while it was Rs. 1448.33 crore to 31,057 units promoted by ST entrepreneurs and incentives of Rs. 114.64 crore were sanctioned to 2104 units promoted by PHC entrepreneurs
