EMPOWERING TELANGANA
PIONEERING GOOD GOVERNANCE FOR PROGRESS AND PROSPERITY"

Euphoric ! That one word will describe the enthusiasm, fervour, spirited gusto and joyously passionate manner with which people from the entire Telangana State have been in the run up to this year's June 2. It will be a milestone in the state's history as it marks a celebration of its continued onward march, since being granted statehood on the momentous day of June 2, 2014. This was the very euphoria that was prevalent on that historic day as it was a worthy reward for the long and turbulent days of struggle. The days of agony and the pain of an uncertain future were all forgotten as they had tasted freedom from bondage, at long last.

Credit for the victory goes to the single-handed campaign led by K Chandrashekar Rao (more popularly known as KCR) and the judicious manner he marshaled the resources to put pressure on the Union Government that eventually clinched the verdict in favour of the creation of the country's 29th State. There is no denying that he led the movement, and awakened the psyche of every person in the region, to its logical end, which was the realization of the dreams and aspirations of all sections in Telangana. It was freedom as they were till then suppressed and oppressed by rulers of the undivided Andhra Pradesh. The wholehearted participation of people from all walks of life, in response to the call given by KCR was a demonstration of their keenness to come out of the shackles of frustration stemming from utter discrimination.

In the run up to the mega celebrations to mark the tenth formation day of Telangana State, the Chief Minister was bang on when he remarked “We are entering the 10th year after nine years of self-rule. The decennial fete must reflect the glory of the state and showcase the giant strides made across all fronts, thanks to the determination of the Telangana government administration to fulfill the aspirations of its people.”
